Monarch Housing Associates Homeless Planning Consultant Job Description

Monarch Housing Associates, a state wide non-profit consulting firm dedicated to developing permanent supportive housing for special needs populations and ending homelessness in New Jersey, is seeking a full time Homeless Planning Consultant to work with the Ending Homelessness Team.

General Description:

Monarch Housing Associates works to end homelessness in New Jersey through sound planning and the creation of housing opportunities for all. To this end, EHT works with eighteen (18) of the twenty-one (21) counties throughout the state of New Jersey in their homeless planning efforts as they work to end homelessness in their communities. The Ending Homelessness Team works on all aspects of homeless planning to ensure not only adequate funding for programs, but also the development of sound plans and assistance with innovative projects to end homelessness.

Duties and Responsibilities:

- Attend community meetings to facilitate the planning process and provide technical assistance services
- Prepare meeting materials to facilitate conversation on local needs and strategies to improve the service system
- Facilitate the development and implementation of local plans to end homelessness
- Evaluate local homeless systems and provide recommendations for improvements
- Research best practices in the homeless housing & service arena and assist in the development of model programs in local communities
- Prepare annual Continuum of Care grant application
- Provide support and technical assistance in understanding CoC HUD regulations
- Assist in preparation, implementation and analysis of annual Point in Time Count activities
- Develop, write and/or contribute to reports, posts, testimony and other documents addressing issues of homelessness
- Assist in any other activities that will foster the goals and objectives of Monarch Housing Associates.

Requirements

- Excellent writing and research skills
- High degree of organizational skills, including the ability to manage multiple priorities
